Our newsletters are now available on the school's website every Monday afternoon:

[www.mallawa-p.schools.nsw.edu.au](http://www.mallawa-p.schools.nsw.edu.au).

### Connected Classroom

The Connected Classroom has been installed. Training for Shelli and I on the new software will occur later this term. We will be able to share with parents after this date.

### School Hats (repeat)

DET and school policy is that all students must wear a school hat when playing before and after school and at recess and lunch. A hat must also be worn during sport. This is a sun safety measure and **all** students must follow it.

As of tomorrow, if a student does not wear their school hat they will be sitting under the covered area and will not participate in any games before

school, at recess and lunch. This will also include sport with Jason.

### Sunshade

A big thank you goes out to Georgie King for getting a portable sunshade to use at school events. We just have to remember to peg it down so it doesn't blow away!!

.

### Excursion

The students all seemed to have a great time last week. Thank you to all parents who were able to attend the excursion – without your support they cannot happen.

Reports from the students about the excursion will be in next week's newsletter.

### Heferen Shield

All students performed extremely well on the day and tried their very best. I was proud of their competitive spirit and sportsmanship. Several students made the finals of their age races. Congratulations to all competitors.

### Results

Small Schools Relay: we placed second after Garah

Discus: Harry King came third in Junior Boys.
